

## Use a **Care & Maintenance Income Fund** — that Provides Peace-of-Mind —

As an established financial service institution in the bereavement sector, we are committed to supporting the growth and stability of your business.

Decades of knowledgeable expertise in growing preneed programs built for the sector, by the sector.

A superior support team that will ease your administrative burdens and allow you to focus on the care and maintenance of your property.

### A **Care & Maintenance Income Fund** that Works as Hard as You Do

#### Dedicated & Managed Funds

A trust fund tailored to meet your cemetery's needs, generating income and ensuring long-term stability. In partnership with long-standing asset manager Foyston, Gordon & Payne Inc. (FGP), we will assist you in managing your trust fund.

#### Instant Reporting

Through leading reporting capabilities, you will have 24/7 access to quarterly fund performance reports and year-end summary reports. With the ability to transfer inflows and outflows of funds.

#### Superior Support

GFD has a knowledgeable and dedicated team who will wholly support your transition to our income fund. Our superior team will be there to ease your administrative burdens with prompt and live telephone support.
